WARM WEATHER, SUNNY SKIES & FARMERS MARKETS

May means farmers markets and that means lots of work for the Misericordia residents working at our Hearts & Flour Bakery. Our residents assisted by volunteers will prepare, bake, and package 3,000 bags of bread, cookies, brownies, muffins, monkey breads each week from the middle of May through the end of October.

These are brought to our tent at Federal Plaza every Tuesday starting May 21 and Daley Plaza every Thursday starting May 16.

New products available this year include blueberry scones, savory bacon-cheddar-onion scones, gluten free coconut macarons, granola bars, chocolate-cherry bread and our own pretzels hand twisted by Misericordia residents. It is certainly worth stopping by if you are downtown and in fact, it is worth taking a day off and making the trip downtown!

Try coming after noon when Misericordia Job Coach Lateefat Lindsey will have a cadre of residents handing out samples. You will get to taste some great baked goods and thank our residents for their hard work.

ORDER ONLINE... PICK UP AT THE MARKET

Anything you can order online from our web page we can bring to farmers market for you to pick up. Place your order as usual online, check "pick up" and in the notes section tell us which market on which day. It will be waiting for you by 6:30 a.m. ~with a smile!

MOTHER'S DAY!

Mom always said "when in doubt send food." With that in mind we created several wonderful food baskets for her. Click anywhere on this page to see our specials.

Dads, if you have grown children in college or living away from home, you might consider forwarding this newsletter to them as a not so subtle reminder that Mother's Day is fast approaching. And if they are on a very tight budget, they should skip the \$7 card at the store and send our "\$10 cookie box" with a dozen cookies and their personalized greeting card. And that \$10 includes first class postage.

In fact, at that rate, you can send one to just about every mother you can think of.

RELIEVE THE PRESSURE

Final exams are fast approaching. Nothing helps a student through exams like chocolate. Send your favorite scholar a chocolate chip cookie tin or a tin of our hand-cut heart shaped brownies. Or send a "Cookie Monster" to feed the entire suite. Click anywhere on this page to see the choices.

GOING TO ARTIST IN ALL ON MAY 22?

It is a wonderful event hosted at the Art Institute of Chicago. While the creations of Misericordia artists take center stage, be sure to see and sample the array of artistic pastries our Hearts & Flour pastry chefs make for this special event.

Feel free to forward this to a friend!
