

# Misericordia HEARTS & FLOUR BAKERY

NEWSLETTER 2013-10 • 6300 N. RIDGE AVENUE • CHICAGO, IL 60660 • WWW.MISERICORDIA.ORG • 773-273-4759

## YOU'VE GOT TO GO IN OCTOBER

Culver's is well known for its great food and delicious frozen custard. In October it will also be known for the Misericordia Sundae and Misericordia Brownie Concrete Mixer. For every one of these special items sold, Culver's will donate \$1 to Misericordia.

We're hand-cutting brownies....

On top of the hot fudge Misericordia Sundae is one of our famous hand-cut heart shaped brownies. Order a brownie Concrete Mixer and enjoy our brownies mixed through each one.

We are busy shipping thousands of our brownies to 53 participating Culver's throughout northern Illinois. How many we ultimately ship depends on how many times you go in and order. And while you are there, thank them for their generosity. ♥

## IT ALL STARTED WITH CANDY DAYS...

The partnership between Culver's and Misericordia came about through a great deal of work and just a bit of serendipity. It started with a Misericordia parent walking into her neighborhood Culver's and asking if she could solicit Candy Days contributions outside their store.

That led to a larger meeting where we explained to Culver's management who we were and what we did. They were, of course, impressed.

...and brownies....

Next came a tour of Misericordia by Culver's founder, Craig Culver, and many of the store owners. It is impossible to come away from a tour of Misericordia and not be impressed by the quality of our programs. And it is easy to see why Culver's, an organization that stresses quality, would want to partner with Misericordia.

...and brownies.

If you came to Family Fest in September, you saw Culver's frozen custard was a big hit. Now dozens of Culver's will be featuring our brownies. Who knows what will be next. ♥

## FALL SPECIALS

Each October we create a new bakery product to celebrate Fall. Our Pumpkin-Ginger Bread became a staple and our customers demanded that we bring back the pumpkin-raisin cookies each year.

This year we dipped into the Misericordia archives to recreate the Rockies: a soft snack bar with gentle flavors of ginger and cloves. It has the aroma and taste of the season.

Now we have combined all three of these into a Fall gift basket. That is just one of our specials. Check out all of them by clicking anywhere on this page. ♥
