

Dear Junior Board Member,

Thank you for taking the time to visit Misericordia Home and for taking a special interest in joining our Junior Board Member. We could not continue to provide the high quality of life for the 600 children and adults with developmental disabilities that call Misericordia home without the continued commitment and support of friends like you. We look forward to working with you in the future. Below is a list of possible ways that you can get involved. Please review the list carefully as well as the proposed time commitment and let us know which opportunities would work best for your schedule.

As a Junior Board member we ask that you commit to becoming an ambassador to Misericordia spreading the word and mission of Misericordia to your friends and family **as well as volunteering for our annual Misericordia Candy Days April 28 and 29, 2017.**

Volunteer: With hundreds of fundraisers each year we are always in need of volunteers to help us with everything from waiting tables, to stuffing envelopes and participating in our resident outings. **Dress code is required for certain volunteer opportunities.** Please let us know if you are available to volunteer on any of the following dates by emailing teresap@Misericordia.com. You will also receive periodic reminders to your email with more information about signing up for individual events.
