Misericordia Mission Statement

The mission of Misericordia/Heart of Mercy is to support children and adults with intellectual and developmental disabilities who choose our community by providing the highest quality residential, training, and employment services. We provide the full continuum of care designed to meet each person's changing needs and maximize his or her independence, self-determination, interpersonal relationships, and engagement in the community. Through our dedicated families, employees, volunteers, supporters and community networks, we offer an environment that fosters each person's spirituality, dignity, respect, and quality of life.

Sharing life with individuals with intellectual and developmental disabilities through a full continuum of care.
