FEST 2022**

40

Celebrating 40 years

In support of Misericordia and its network of services for persons with intellectual and developmental disabilities through a full continuum of care.

MISERICORDIA FAMILY FEST 2022

On behalf of the entire Misericordia community, we hope and pray that you are safe and well during these challenging times. We also are pleased to invite you to join us as a sponsor for this year's 40th Misericordia Family Fest.

As a Family Fest sponsor, you will become part of a community of leading businesses, individuals and organizations across Chicago who join together to help our 600 children and adults live full, productive and meaningful lives. We will also prominently display your name at Misericordia's single largest event, which we hope to host in person this year on Sunday, September 11, 2022. The Family Festival has become a much-loved celebration for its 15,000+ attendees – with games, food, entertainment, auctions, and much more.

In the event our plans for an in-person Family Fest are postponed until next year, your support is still vital! It will become part of our *Keep Misericordia Strong Sponsorship Campaign* that began in 2020 to keep Misericordia residents and staff strong and resilient throughout the Covid-19 public health crisis. Be assured that your sponsorship will make a difference in the lives of our children and adults with intellectual and developmental disabilities who are at the very heart of our Family Fest celebration. Your support will also help us make up for the funding gap of \$25 million this year, which is the difference between funds Misericordia receives from the State of Illinois and our actual program costs.

Over the years, Misericordia has grown in so many ways – and we continue to expand our services and residential community knowing we are doing God's work. The much-anticipated Hearts & Flour Bakery and Café, located right on Ravenswood Avenue, is now open with ample space for our residents to work and visitors to enjoy. We are making plans to break ground on new homes just south of our main campus to reach out to some of the hundreds of families on our waiting list. We are also purchasing the St. Henry property on the north end of campus. These plans simply would not be possible without our friends and supporters like you, giving us the confidence to move forward.

Please know that we are so grateful for your past support – and for whatever you can do to help us get through this most unprecedented time. We will acknowledge your generous participation at the Family Fest, as well as in Misericordia's quarterly newsletter sent to 150,000 households, on our website, and on social media postings on Facebook, Instagram and Twitter.

Thank you for your help and support. We ask God to bless you and keep you safe.
