

Misericordia Heart of Mercy

2013 Family Fest Sponsorship Opportunities

In support of Misericordia and its network of services for people with developmental disabilities.

I ♥ Misericordia Family Fest 2013

You or your company are cordially invited to be an integral part of the 33rd annual Family Fest at Misericordia. You or your company will be showcased at Misericordia's single largest event. Join 15,000+ attendees as we celebrate a joyous day of games, food, entertainment, auctions and more on Sunday, September 8, 2013.

As a corporate or individual sponsor, you will be part of an event that warms the heart and sends a message of good will and support to the extensive network of friends and families of Misericordia. Your support secures programs developed to meet the unique needs of children and adults with developmental disabilities. Misericordia provides a network of services and a continuum of care for people with developmental disabilities from all backgrounds.

Over the years, Misericordia has grown in many ways. We have remodeled and modernized all existing buildings to better care for our residents. We have completed seven new houses located both on campus and in the neighboring community. They provide homes to an additional 66 residents who have been on our waiting list.

We also support people on our waiting list with outreach programs that provide counseling, social services, and educational and recreational opportunities. These programs include support groups for families with children newborn to age four, social programs for children ages seven to 14, parent education programs, swimming classes and even a summer day camp for kids.

But we need your help to achieve today's challenging goals. The difference between the state's support and our annual cost to provide exceptional care to our residents is close to \$15 million. As a sponsor, you help us secure the future of quality care for our residents and reach out to those in need of our services.

At the heart of our Family Fest celebration are the more than 600 children and adults who call Misericordia home. With the help of countless volunteers, staff and families, we strive to reach out to the additional 500 special people currently on our waiting list, hoping to join our community.

♥ Be part of the family and help us continue making dreams come true. | For additional information about

The Mission of Misericordia/Heart of Mercy
 is to support individuals with developmental
 disabilities in maximizing their level of
 independence and self-determination within
 an environment that fosters spirituality, dignity,
 respect, and enhancement of quality of life.
 We promote development of natural family
 and community supports, community
 awareness, education and advocacy.
